# MARYLAND STATE BOARD OF EDUCATION

## Subtitle 06 SUPPORTING PROGRAMS

### Chapter 03 Interscholastic Athletics in the State

Authority: Education Article, §§2-205 and 2-303(k),  
Annotated Code of Maryland

#### .01 Authorization

- A. The following regulations have been established by the State Superintendent of Schools to govern the athletic program for all high school students in Maryland public secondary schools which are members of the Maryland Public Secondary Schools Athletic Association (MPSSAA).
- B. Local school systems may adopt rules governing their athletic programs that are more restrictive than those of the MPSSAA. Less restrictive rules may not be adopted.

#### .02 Eligibility

Student eligibility for participation in interscholastic athletics at the high school level shall be based on the following criteria:

- A. Students shall be officially registered and attending a member MPSSAA school. They may represent only the school in which they are registered and at which it is anticipated they will complete their graduation requirements. Ninth grade public school students who reside in the attendance area of a high school organized grades 10–12 may participate in the interscholastic athletic program of that high school.
- B. Each local school system shall establish standards of participation which assure that students involved in interscholastic athletics are making satisfactory progress toward graduation.
- C. Students who are 19 years old or older as of August 31 are ineligible to participate in interscholastic athletics.
- D. Students may participate in interscholastic athletic contests for a maximum of three seasons in any one sport in grades 10, 11, and 12. Students who participate on an interscholastic team in grade 9 will have a maximum athletic eligibility of four seasons in that one sport.
- E. Middle, intermediate, or junior high school students are not eligible to compete or practice with high school teams. However, ninth grade public school students who reside in the attendance area of a high school organized grades 10–12 may participate in the interscholastic athletic program of that high school.
- F. Students shall maintain amateur status as defined by Regulation .10 of this chapter.
- G. Students, while participating on a school team, are permitted to participate in the same sport outside of school during the sport's season. This participation shall meet the following criteria:
  - (1) The outside participation may not conflict with the practice or contests schedule of the school including district, regional, and State championship

play unless prior written approval has been obtained from the school principal and coach;

- (2) Students who elect to participate on an outside team and do not participate and practice with the school team throughout the designated sport's season are ineligible to represent the school in all contests that determine a county, district, regional, or State championship during that sport season.
- H. Students shall present to their high school principal a certificate from their parents or guardian (indicating the parents' or guardian's) giving permission for participation.
- I. A student shall be examined and certified to the high school principal as being physically fit to participate in any try-out, practice, or contest of a school team. The examination shall be performed by a licensed physician, certified physician assistant under the supervision of a licensed physician, or certified nurse practitioner.
- J. Students legally transferred to another school may participate. "Legally transferred" means a change of residence or a transfer from one school to another by action approved by the local superintendent of schools.
- K. Graduates.
  - (1) Graduates of high schools are not eligible to practice with or participate on interscholastic sports teams. However, they may participate in the remaining athletic contests of that semester.
  - (2) Students are considered graduates when they have completed the work required for graduation and are declared graduates by the local board of education.

- (d) Fourth—Impose additional penalties as may seem justified in the particular case considered.

**(2) Against a student:**

- (a) First—Declare the student to be ineligible for the next 60 school days following the date the student was found to be in violation. These 60 school days will carry over into the next school year if the violation occurs during the second semester.
- (b) Second—Declare the student to be ineligible to compete in the sport in which the violation occurred during the subsequent season.
- (c) Third—Impose additional penalties as may seem justified in the particular case considered.

- (5) Fifth—The MPSSAA Executive Director, in consultation with the appropriate committees, or the Executive Council of the MPSSAA, shall review the report of the local hearing and decision in the local school system. The MPSSAA Executive Director shall either accept the penalty imposed or modify the penalty in accordance with this regulation.

**C. Appeals.**

- (1) A MPSSAA member school, student, or coach may appeal the imposed penalty within 30 days and request a hearing before the Appeals Committee of MPSSAA.

- (5) The principal of the involved school, the student, or coach, or all of the above, shall present grounds for appeal. If appropriate, the local school system's supervisor of interscholastic athletics involved in the appeal may present the case.
- (6) The MPSSAA Appeals Committee shall convene in closed session and vote to deny or uphold the appeal or modify the penalty. A majority vote is required to deny or uphold an appeal or modify the penalty.
- (7) The MPSSAA Appeals Committee shall report its findings to the concerned parties.
- (8) Any party aggrieved by the MPSSAA Appeals Committee decision may appeal the decision to the State Superintendent of Schools within 30 days after receipt of the Appeals Committee decision. The State Superintendent of Schools, upon examination of the facts, may, in his or her discretion, allow the appeal and appoint a special committee of three local superintendents of schools to hear the appeal. The committee of superintendents may deny or uphold the appeal or modify the penalty.
- (9) Unless otherwise ordered by the State Superintendent of Schools, the application for appeal to the State Superintendent of Schools may not stay the enforcement of the MPSSAA Appeals Committee decision, or excuse the person affected thereby from complying with its terms.
- (10) The decision of the committee of local superintendents of schools is final.
- (11) A member of the MPSSAA Appeals Committee or the committee of local superintendents of schools may not hear an appeal if that member has offered advice, made a recommendation, rendered a decision, or in any other way participated in the case being appealed.

#### **.06 Classification**

- A. For the purpose of parity in competition in meets and tournaments coordinated by the MPSSAA, member schools shall be divided as equally as possible into four classifications based on enrollment. If, in this calculation, two or more schools with equal enrollments fall between two classifications, they shall be placed in the lower classification.
- B. The local superintendent of schools shall submit to the MPSSAA Executive Director by November 1, a report on the actual school enrollment of students in Grades 9, 10, and 11 in each of the MPSSAA member schools as of September

30, in each even-numbered year. The MPSSAA Executive Director and the Classification Committee of the MPSSAA shall present a recommendation for classification of member schools to the MPSSAA Board of Control for adoption. Classification shall be determined every 2 years based on the September 30 enrollment of the previous year.

# RULES AND INTERPRETATIONS

## OUTSIDE PARTICIPATION

**.02G(1)** “The outside participation shall not conflict with the practice or contests schedule of the school including district, regional, and State championship play unless prior approval has been obtained from the school principal and coach;”

**Interpretation:** Any factor of a non-school athletic activity that causes a student to miss any portion of a school practice or contest constitutes a conflict.

This would include but is not limited to:

1. Practice
2. Competition
3. Tryouts/qualifying
4. Travel to and from
5. Registration
6. Awards ceremony
7. Etc.

**Note:** It is expected that high school teams conduct practice for all members or engage in competition every day school is in session during the sports season.

## MAXIMUM NUMBER OF CONTESTS PERMITTED DURING A SPORTS SEASON

**.03B**

**Interpretation:** The seasonal limitations for each sport refer to one varsity team as well as to any under-squad teams. A school may field only one team that can be classified as “varsity”. The nomenclature of any under-squad, i.e., varsity “B”, junior varsity, freshman, novice, etc., must so designate its non-varsity status. Accordingly, any requirements or qualifying standards to state tournaments can only be satisfied through *varsity competition*.

## CARE AND PREVENTION OF ATHLETIC INJURIES

**.04B(3)** “All coaches shall have completed or be enrolled in a one-credit course in the prevention and care of athletic injuries.”

**Interpretation:** The following interpretation of that bylaw was agreed upon by formal vote of the MPSSAA Board of Control:

1. The completion of the Care and Prevention Course will be required by August 15, 1989.
2. Coaches beginning employment after August 15, 1989, will have one (1) year to complete the course.
3. The major content areas in the course should be:
  - a. Legal Issues
  - b. Introduction to Injury
  - c. Prevention of Injuries
  - d. First Aid/On Field Management of Injuries
  - e. Life Threatening Injuries
  - f. Ankle Injuries
  - g. Knee Injuries
  - h. Neck, Spine, Pelvis Injuries
  - i. Shoulder Injuries
  - j. Arm, Hand Injuries

4. Emergency coaches must have completed a Care and Prevention course in the first year of his/her employment.
5. Local supervisors will certify that coaches have complete the course.
6. It is strongly recommend that all coaches complete a course in CPR.

A camp composed of several coaches with their respective teams is a violation of this regulation.”

**Interpretation:** School-related individuals means any school employee, volunteer, their relatives, and/or agents.

**NOTE:** Alleged violations brought by member schools, students or coaches will be investigated by the local superintendent or his/her designee. Those sponsoring and/or conducting a camp that is under investigation will be required to supply supporting data.

or insignia and team or individual accomplishment. Commercial messages may not be displayed on awards such as articles of clothing, jewelry, luggage, etc.

## **MISCONDUCT DETRIMENTAL TO A TOURNAMENT**

**.07C (11)** “If a team or any students participating in State Tournament contest play leaves the field before completion of the contest, or fails to continue when eligible to do so, or is guilty of misconduct detrimental to the tournament, then the team, coach, or students may be suspended from the further participation in the current tournament, and from the same tournament in the succeeding year, upon the determination of the Tournament Committee and the Executive Director.”
