MPSSAA Softball Officials,

The softball season is finally here. Many of us will be working scrimmages in the next few days, with regular season games starting soon after. I hope everyone is ready to give the student athletes your best possible game and to enjoy yourself in the process.

The MPSSAA website will be posting information that you need to become familiar with. The first of weekly NFHS softball interpretations will soon be on the site, as well as 2 videos discussing the topic of illegal pitches. Watch them and let me or your association heads know if we can clarify anything for you.

Have an excellent beginning of the softball season.
