#### **MPSSAA BASEBALL BULLETIN**

State Finals - May 24/25, 2019 Ripken Stadium, Aberdeen

#### I. GENERAL INFORMATION

- A. The Maryland Public Secondary Schools Athletic Association is the official governing body for the Baseball tournament. Plans for the tournament were formulated by the State Baseball Committee and approved by the Board of Control.
- B. Schools choosing to enter the tournament have the responsibility for reading and adhering to the rules and regulations stated in the front section of this publication as well as those appearing within this Baseball Bulletin. Unless specifically stated, all rules and regulations stipulated in the NFHS Baseball Rule Book will be followed.
- C. Eligibility rules for all participants are defined in MPSSAA Bylaw .02, found in the current Handbook.
- D. **General regulations for all state tournaments** are contained in MPSSAA Bylaw .07, found in both the current Handbook and in the front section of this publication.
- E. The official state baseball required for use during region <u>AND</u> state tournament games is the Wilson A1010BPROSST. It is highly recommended that this same ball be used during the regular season as well.
- F. Playing rules for regular season, region, and state tournament
  - 1. National Federation rules will be used.
  - 2. A regular season regulation game is seven innings (turns at bat) for each team unless shortened as in Rule 4-2-2 or unless extra innings are necessary to break a tie score.
    - a. By state adoption, all games that are tied or not considered a complete game will be a suspended game. A suspended game will be continued from the point of interruption unless the game is declared complete by mutual agreement between the two schools.
    - b. Any inning started must be completed to be considered a complete game. No innings will be reverted back to the previous inning to be considered a complete game.
  - 3. All region and state tournament games will be a minimum of seven innings unless the 10-run rule applies.
  - 4. All games, including doubleheaders, must be scheduled for seven innings.
  - 5. The National Federation 10-run rule is mandatory for all games.

- 6. The MPSSAA will use the National Federation suggested speed-up rules for courtesy runners.
- 7. Intentional walks: An intentional walk may be given by the defensive team by having their catcher or coach request such from the umpire. This may be done before pitching to the batter or on any ball-and-strike count.
- 8. Pitching Limitations (penalty for violation forfeit game in which illegal pitcher was used):
  - a. The pitching limitations rule is in continuous effect between the regular season and playoffs.
  - b. All contests, including suspended games, shall use current pitching limitations.
  - c. It is the responsibility of the coach to have all pitchers, with their pitching limitations, listed on the lineup cards presented to the umpire and opposing coach at the beginning of the game.
  - d. The calendar rest begins on the day following the date on which the game began or a resumed game began regardless of the conclusion time of the game.
  - e. The pitch count is based on pitches thrown for strikes (including all foul balls); balls; balls in play and outs.
  - f. A pitcher at any level who reaches the daily pitch maximum limit in the middle of an at-bat will be allowed to finish that hitter.
  - g. Warm-up pitches allowed before each inning, warm up pitches allowed by the umpire in case of injury or game delay, and plays attempted against the batter-runner or any runner at first, second or third base do not count against the limit.
  - h. All NFHS Substitution and Pitching Rules must be followed.
  - i. The pitch count charts of both teams from prior contests are to be presented to the opposing coach BEFORE the game.
  - j. During the game, pitch counts will be recorded by an official Designated Pitch Count Recorder (DPCR) supplied by the home team. The visiting team has the option of providing an additional DPCR to sit with the official DCPR to assist in pitch count recording. Any discrepancy shall be settled by the DPCR and coaches without umpire involvement and that record shall be considered final.
  - k. The MPSSAA will supply a neutral DPCR for State Semifinal and State Championship contests.
  - I. At game's conclusion, the MPSSAA pitch count form will be signed by both head coaches or designated representatives.
  - m. Both schools have the responsibility to maintain every pitching chart form until the school season is complete.
  - n. Any discrepancy found during/after the game will be reported to the local school system for review.
  - o. A hard copy must be available upon Local School System or MPSSAA request at any point during and following the season.

#### DAILY LIMITATION

The limit on the number of pitches is based on the level of pitching. Specific rest periods are in place when a pitcher reaches a threshold of pitches delivered in a day. The rest periods required during the regular and postseason are listed in the table that follows.

#### **II. REGION TOURNAMENT**

#### A. Tournament Organization

- 1. Every school is automatically entered into the region tournament unless the MPSSAA office receives written notification to the contrary. Request for withdrawal shall be by letter, signed by the school principal.
- 2. A TEAM ENTRY FORM utilized for State Semifinals and Finals must be filled out by teams winning their Section Final. The TEAM ENTRY FORM is available on the "Members" page of mpssaa.org.
- 3. Each region will conduct a single elimination tournament, with the champion advancing to state play.
- 4. Responsibilities of region director:
  - a. Notify schools as to their bracket position, site of upcoming contest, and starting time.
  - b. Schedule the local officials board that services the designated home team.
  - c. Inform the state committee director and MPSSAA of the schedule established for competition.
- 5. The **seeding meeting** for bracket positions will take place Tuesday, May 7 in the MPSSAA office via conference call with the State Committee Director. Tournament pairings will appear on the MPSSAA web site <mpssaa.org> later that day.
  - a. Region directors will verify and submit to the state tournament chair by 9 p.m., May 6, the official records of all teams for regular season games played through that day.
  - b. All teams in each section will be seeded as determined by regular season winning percentage, excluding the one additional tournament and any city, county, or conference championship.
  - c. Teams with less than 14 varsity games played will be seeded based on a regular season winning percentage using a divisor of 14 games.
  - d. Ties among teams in a section will be first broken by head-to-head competition to determine the higher seed. This applies if all tied teams meet the criteria. If head-to-head does not break the tie, a coin toss will be used to determine the order of seeding.
  - e. The higher-placed team is defined as one who occupies the lower-numbered line position, (the favored position), on the bracket in any given round.
- 6. Unless a specific alternative plan has been approved, all teams in sectional and regional play will abide by the following guidelines.
  - a. All sectional games will be played at the site of the higher seed throughout the tournament.

- b. All regional championship games will be held at the home site of the school with the higher regular season winning percentage. Ties between section champions will be first broken by headto-head competition. If head-to-head does not break the tie, a coin toss will be used to determine the order of seeding.
- c. The MPSSAA Executive Director may grant permission for sectional and region games to be scheduled at a site other than the higher seed. This may be done upon a written request of the region director, with approval by a two-thirds representative vote of athletic supervisors of schools in that region. Each athletic supervisor's vote will be weighed proportionally to the number of schools he or she represents in that region/section. The request must be received prior to April 10.
- d. If circumstances render a home site unplayable and the game is scheduled at any alternate site, the designated home team will remain unchanged.
- 7. Postponed/suspended sectional/region games may be required by the State Baseball Committee to be made up as part of a doubleheader.
- 8. The Head Coach of each region winner must complete the Media Information Form found on the Baseball page of MPSSAA.org and bring 20 copies each to the State Semifinals and Finals.

### B. Playing Rules

- 1. All region games will be a minimum of seven innings unless the 10-run rule applies.
- 2. The starting time for weekday contests will be 4 p.m. and the starting time for Saturday contests will be 1 p.m. unless, due to extenuating circumstances, both schools agree to modify the starting time. Schools with lights may start a contest up until 7 p.m. Any changes to the start time must be approved by the region director and sport committee chair.
- 3. Region games must be played on the dates provided in the timeline with inclement weather as the only exception.
